PRESIDENT'S MESSAGE

It is such a pleasure for me to use this opportunity to pay tribute to everyone involved in the Craft and Horticulture section of our annual show.

Year on year this area is without doubt one of the most popular of the show come rain or shine, it consistently maintains the highest standards imaginable. My wife and I always think of it as a reminder of the many wonderfully talented people who live within our communities in Pembrokeshire and the exhibits provide a fascinating spectacle for our visitors for the entire three days of the show.

It must be said also that the Society are ever grateful for the opportunity which the Craft and Horticulture section provides for people of all ages to get involved in the Show from the very young, competing for the first time to those whose lifetime experience is displayed in their chosen art or craft.

My sincere thanks therefore to everyone involved be it exhibitors, competitors, judges and stewards along with the team that works so hard throughout the year, to deliver this section of our Show. My very best wishes to you all for a successful Show 2018.

Brian Harries
Show President 2018

HORTICULTURE SECTION

HORTICULTURE COMPETITION RULES

1. All exhibits must be of exhibitor's own growing with the exception of Floral Art (Horticultural section) or made by the exhibitor. The Committee reserves the right to inspect the premises of exhibitors and to disqualify for infringement of this rule.
2. Exhibitors must provide their own containers, vases, plates etc. as required by their schedule.
3. **OBJECTIONS. Any objection must be made in writing to the Secretary before 3.00pm on the first day of the Show, together with a deposit of £25.00, which shall be forfeited if the Judge does not sustain the objection. The Judges'/Show Directors decision shall be final. They have the power to withhold any award should they deem the entry to be unworthy. When necessary a referee will be appointed by the Show Directors.**
4. In the case of close competition, points will be given for named exhibits and this is advised for the education of the onlooker.
5. The words "kind" and "Variety" are used in this Schedule in the following sense:-
KIND: asters and Pansies are KINDS of flowers. Apples and Pears are KINDS of fruit. Cabbage and Potatoes are KINDS of vegetables. VARIETY: Ostrich Plume is a VARIETY of Aster, Blenheim Orange a VARIETY of Apple, Flower of Spring a VARIETY of Cabbage.

8. No exhibit to be entered in more than one class.
9. A person who is eligible to enter in the Novice Sections is not allowed to enter in open class if exhibiting at this Show for the first time and will be allowed to compete in these sections **for three years only**. This rule has been introduced to accommodate producers who enter the Show arena for the first time and it is sincerely hoped that serious exhibitors will not take advantage of this new conception.
10. Any unclaimed exhibits by the close of the show will be disposed of accordingly.
11. **GENERAL: No responsibility is undertaken for the receipt or despatch neither of exhibits, nor for any loss, mutilation, damage or accident thereto during the Show or otherwise.**

PEMBROKESHIRE COUNTY SHOW TOP VASE COMPETITION RULES

1. The Pembrokeshire County Show class is for a vase of mixed flowering stems containing total of between five and 10 stems, taken from a minimum of two different kinds of plants. Please note that it is two different KINDS of plants; two varieties of the same plant are NOT two kinds.
2. The display will be judged out of a total of 35 points, split into: 25 points for the colour, form, condition, quality and freshness of the flowers on display, and 10 marks for the overall presentation and effect of the flowers in the vase. The vase will be viewed from all directions. Judging of the flowers should be to the normal rules used for other classes.
3. Stems used in the display must be showing flowers only; no seed heads or berries will be allowed.
4. The vase can be any shape or size and made from any material, but must be in proportion to the display. No marks are awarded for the vase itself.
5. No accessories whatsoever - such as bows and additional foliage - will be allowed. Foliage, which is growing naturally from the flowering stem, and still attached to that stem, is allowed. Packing material - including Floral Foam - to keep the stems in place is allowed.
6. Prize money for the Pembrokeshire County Show Top Vase class will be allocated as follows
1st - £10.00; 2nd - £5.00; 3rd - £3.00

NOTES FOR EXHIBITORS AND JUDGES

- Flowering stems can be taken from ANY flowering plant.
- The different kinds of plants need to be taken from different genera. For instance, pinks, carnations and Sweet William - which are all dianthus - would not be classed as different kinds.
- Only fresh, home grown flowers can be used in the vase. No dried or silk flowers are allowed.
- A vase, by definition, is any vessel that can be used to hold cut flowers and which is taller than it is wide at its widest point.

- The Pembrokeshire County Show Top Vase class is open for anyone to enter and is not intended purely for growers who regularly display single species classes at shows.
- Judges should use their discretion when judging the Top Vase class, bearing in mind that the entries may come from inexperienced exhibitors.
- Judges should note that the display has to be viewed all round.
- The points awarded should be clearly marked by the Judges on the Exhibitors' Cards.
- Any queries that may arise, regarding anything other than the above rules, should be referred to, and decided by the Show Directors.
- Failure to abide by any of these rules will result in disqualification.

PEMBROKESHIRE COUNTY SHOW TOP TRAY COMPETITION RULES

1. The Pembrokeshire County Show class is for a collection of three types of vegetables two of each. Each type of vegetable will be judged out of a total of 20 points. This is split into three sections as follows: seven points for size shape and colour; seven points for condition; six points for uniformity. The overall mark will therefore be out of a total of 60.
2. All vegetables are to be displayed for effect. The vegetables must be displayed within an area measuring 45cm x 60cm (18in by 24in), without bending any part of them. No part of any exhibit may exceed the size of the tray. A tray or board measuring 45cm x 60cm (18in x 24in) can be used to display the vegetables, or the area can simply be marked on the staging. Where a tray has a lip or edge, it is the internal measurements that must not exceed 45cm x 60cm (18in by 24in).
3. A black cloth is permitted, and the tray may be painted. Parsley is allowed for garnishing, but no other foliage or accessories such as plates, sand or rings will be allowed. Onion tops may be tied or whipped using raffia or string.
4. Prize money for the Pembrokeshire County Show Top Tray class will be allocated as follows
1st - £10.00; 2nd - £5.00; 3rd - £3.00

NOTES FOR EXHIBITORS AND JUDGES

- Carrots and parsnips must have foliage trimmed back to 7.5cm (3in).
- Peas and beans must be displayed with some stalk attached.
- Tomatoes must be displayed with calyces (the green flower bud case).
- Judges may handle exhibits, open pods and so on to check for quality.
- The Tray, board or staging must not be cut or mutilated in anyway at all – such as cutting holes for standing onions in.
- Judges should use their discretion when judging the Top Tray class, bearing in mind that entries may come from inexperienced exhibitors.
- The points awarded should be clearly marked by the judges on the exhibitors' cards.
- Any queries that may arise, regarding anything other than the above rules, should be referred to, and decided by, the Show Directors.
