## DEFINITION OF CLASSES

- I. In the following definitions, a Challenge Certificate includes any show award that counts towards the title of Champion under the Rules of any governing body recognised by the Kennel Club.
- II. Wins at Championship Shows in breed classes where Challenge Certificates are not on offer shall be counted as wins at Open Shows.
- III. In the case of a dog owned in partnership and entered in Members' classes or competing for Members' Specials each partner must at the time of entry be a member of the Society.
- IV. In estimating the number of awards won, all wins up to and including the seventh day before the date of closing of entries shall be counted when entering for any class i.e. **10<sup>th</sup> July 2017**.
- V. Wins in Variety classes do not count for entry in Breed classes but when entering for Variety classes, wins in both Breed and Variety classes must be counted. A first prize does not include a Special Prize of whatever value.
- VI. A dog is not eligible for entry in Variety Classes unless also entered and subsequently exhibited in a Breed class where such a class is provided for which it is eligible. Exemptions from this regulation are:-
  - a) A puppy, unless a class for dogs under twelve months of age for which it is eligible is provided for the breed.
  - b) A dog in Any Variety Field Trial or Working Trial Class.

- VII. If an exhibitor reports before the judging of a class or classes that a dog has been entered which is ineligible, the exhibitor may choose one of the following options:-
  - a) **WITHDRAWAL**: The dog may be withdrawn from the competition subject to the conditions of Regulations 9(j) and 20.
  - b) **TRANSFER**:
    - i) If a dog is ineligible for a class or classes as regards its breed, colour, sex, weight or height the Show Secretary shall transfer it to the equivalent class or classes for the correct breed, colour, sex, weight or height or, in the event of there being no equivalent class, Minor Puppy and Puppy excepted, to the Open Class for the correct breed, colour, sex, weight or height.
    - ii) For an exhibit entered incorrectly in a Minor Puppy Class or Puppy Class or Junior Class, which is over age but under twelve calendar months of age, eighteen calendar months of age or twenty-four calendar months of age respectively, the Show Secretary shall transfer the exhibit to the Puppy Class, Junior Class or Yearling Class respectively for the correct breed, colour, sex, weight or height and in the event of there being no Puppy, Junior or Yearling Class to the Open Class for the correct breed, colour, sex, weight or height.
    - iii) For any reason other than the above, the Show Secretary shall transfer it to the Open Class for the correct breed, colour, sex, weight or height.

- XV. **RARE BREEDS**: Confined to those breeds not granted Challenge Certificates in the current year, with the exception of those breeds whose registration is confined to the Import Register.
- XVI. **BRACE**: For two exhibits (either sex or mixed) of one breed belonging to the same exhibitor, each exhibit having been entered in some class other than Brace or Team.
- XVII. **ANY VARIETY NOT SEPARATELY CLASSIFIED**: For breeds of dog for which no separate breed classes are scheduled.
- XVIII. **JHA & ADULT HANDLING CLASSES**: Dogs to be handled in Junior and Adult Handling must be entered in another class at this Show. Entries to be made on the entry form.
- XIX. **YKC MEMBERS' HANDLING CLASSES**: Only dogs of six (6) calendar months of age and over on the day of competition are eligible for entry into an YKC qualifying class. Dogs DO NOT NEED to be entered into a breed class to participate in an YKC

Handling class at a championship or open show. Any dog entered in handling only classes is not eligible to be shown in a breed/AVNSC/Variety/Stakes class at the show or compete for the Group, Best in Show or Best Puppy in Show. The FIRST placed handler only in each age group at the qualifying show will qualify for Crufts. A rosette is awarded to the first place winner. This is not a roll down competition. Handling qualifiers run from the 1st January to the 31st December for the following year's Crufts. If a member is disqualified, the qualification does not roll down to the next placing. Classes for handling are decided by the handler's age. The classes are divided into three age groups: 6-11 years (6 years and up to, but not including 12th birthday); 12-16 years (12 years and up to, but not including 17th birthday); 17-24 years (17 years and up to, but not including 25th birthday). In order to enter any YKC competition, you must be a fully paid up member at the time of entry and competition. If you enter a Crufts qualifier and you have not previously paid your membership fee then any award will be forfeited. Therefore it is important to renew and maintain YKC membership as current if you wish to participate in YKC competitions.

**XX. YOUNG KENNEL MEMBERS' STAKES:** Only dogs of six (6) calendar months of age and over on the day of competition are eligible for entry into an YKC stakes class. Dogs must be on the Kennel Club Breed register to compete in an YKC stakes competition. All pedigree dogs are eligible to take part provided the dog is registered on the Kennel Club Breed Register. The dog must be registered; a. solely or jointly in the member's name or b. In the name of a close member of the family and under these circumstances the dog must be resident at the YKC member's address. No substitute handlers are permitted – the dog must be handled by the registered YKC member. In certain cases members may be permitted, through permission from the YKC Office, to show a dog that is not registered in their name, the family name or registered at their address and must write into the YKC office for permission to show which will then go forward to a Management Meeting for approval. This must be approved by the Management Meeting before entering. The handler must be aged 6 - 24 years (members 6 years and up to, but not including 25th birthday). Please note that membership of the YKC terminates on a member's 25th birthday.

A puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the Show. Where the Best of Breed, Best in Group or Best in Show is a puppy it will automatically be Best Puppy in Breed, Best Puppy in Group and Best Puppy in Show respectively. Similarly, if the Reserve Best of Breed, Reserve Best of Group or Reserve Best in Show is a puppy which has only been beaten by an adult dog it will also automatically be Best Puppy in

Breed, Best Puppy in Group and Best Puppy in Show respectively. Consequently, selection of Best Puppy in Breed, Best Puppy in Group and Best Puppy in Show must follow the selection of Best of Breed, Best in Group and Best in Show respectively.

**a. Show Judged on the Group System**

1) Best Puppy in Group and subsequent Group placings must be selected from puppies which have been judged and which are unbeaten by any other puppy.

2) Best Puppy in Show must be selected from the Best Puppy in Group winners provided they are unbeaten by any other puppy.

**b. Withdrawal from Competition**

Puppies which become eligible for Best Puppy in Group and Best Puppy in Show maybe withdrawn from all other competition, other than Breed Classes and Best Puppy in Breed, prior to the competition for Best Puppy in Group and Best Puppy in Show in order to remain unbeaten. A puppy beaten in competition for Best Puppy in Group and Best Puppy in Show may subsequently be exhibited in all competition for which it was previously eligible. The dog declared Best Puppy in Show, however, must not compete in any subsequent competition. Puppies may be withdrawn from Any Variety (AV) Classes when judged before Breed Classes.

**c. Proviso**

For the purpose of this Regulation, dogs beaten in competition for Stud Dog, Brood Bitch, Progeny, Brace and Team or a Special Award confined to one breed will not be considered to be a beaten dog.

**14. BEST IN SHOW**

The dog declared Best in Show is a dog which has competed and is unbeaten by any other dog exhibited at the same Show.

**a. Shows Judged on the Group System**

(Definition: Shows judged on the Group System includes classes for breeds within more than one group, as defined in Kennel Club Regulation B(A); and require a judge to declare a best of each group after which the exhibits so declared will compete for the award of Best in Show and Reserve Best in Show.)

**b. Best of Breed**

Where a breed is separately classified a Best of Breed may be declared but only from those dogs which have received a first prize in a breed class at the show. Where separate classes are provided for each sex of a breed a Best of each Sex must be declared.

**c. Best of Group**

Best of group and subsequent placings must be selected from:-

The Best of Breed winners in each group provided that they are unbeaten winning dogs.

The best unbeaten winning dog from the Any Variety Not Separately Classified classes in each group or on each day.

**d. Best in Show**

Best in Show must be selected from the Best of Group winners provided they are unbeaten. Reserve Best in Show must be selected from the remaining Group winners following the selection for Best in Show.

**e. Withdrawal from other Competition**

Dogs which become eligible for Best of Group and Best in Show maybe with drawn from all other competition other than breed classes and Best of Breed prior to the competition for Best of Group or Best in Show as appropriate in order to remain unbeaten. A dog beaten in competition for Best in Group or Best in Show may subsequently be exhibited in all competition for which it was previously eligible. The dogs declared Best in Show and Reserve Best in Show however, must not compete in any subsequent competition. Dogs may be withdrawn from AV Classes when judged before Breed Classes.

**f. Proviso**

For the purposes of this Regulation, dogs beaten in competition for StudDog, Brood Bitch, Progeny, Brace and Team or a Special Award confined to a single breed, will not be considered to be beaten dogs.

**15. LATE ENTRIES**

Exhibits will not be admitted to Best in Show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably delayed by previous judging not being completed on time, and then only with the special permission of the Show Management.

**16. DOGS IN CARS ON HOT DAYS**

- a) Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
- b) When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- c) If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- d) The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- e) Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- f) When at the show, never leave your dog in the vehicle.
- g) Keep the dog in the shade. Take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- h) Avoid your dog taking part in unnecessary exertion or from standing in exposed sunlight for extended lengths of time.
- i) Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

**WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED**

**17. ANIMAL WELFARE (KENNEL CLUB REGULATIONS & PAS ANIMAL WELFARE PLAN)**

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations.

**18. NOT FOR COMPETITION**

Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.

**19. PHOTOGRAPHY**

No flash photography is permitted during judging.

**20. FOULING BY DOGS**

As required by the Kennel Club, may we remind exhibitors that they are responsible for clearing up any fouling made by dogs in their charge, whether it is inside the venue or outside.

**21. BEHAVIOUR OF CHILDREN**

Parents are reminded that they are responsible for the actions and any damage done by their children within the environs of the Show.

**22. TRADE STANDS**

Exhibitors are reminded that products on sale by the stall holders or trade stands for the preparation and grooming of dogs may not comply with Kennel Club Regulations.

**Kennel Club Regulation F (Annex B) Regulations for the Preparation of Dogs for Exhibition.**

These Regulations must be observed when a dog is prepared for exhibition and/or exhibited at any Kennel Club licensed event. Objections may be referred to the General Committee for disciplinary action under these Show Regulations and for disciplinary action under Kennel Club Rule A42.

1. A dog found to have been exhibited in breach of these regulations will automatically be disqualified from exhibition at the show and from any award gained thereat.
2. Unless the exhibitor provides a satisfactory explanation for the dog being exhibited in breach of these regulations then he/she may be subject to further penalties of either a fine or as listed under Rule A42.
3. No substance which alters the natural colour, texture, or body of the coat may be present in the dog's coat for any purpose at any time during the Show.
4. No substance, which alters the natural colour of any external part of the dog, may be present on the dog for any purpose at any time during the show.
5. Any other substance (other than water), which may be used in preparation of a dog for exhibition, must not be allowed to remain in the coat or on any other part of the dog at the time of exhibition.

6. No act or operation which alters the natural conformation of a dog or any part thereof may be performed except: -
  - a. Operations certified to the satisfaction of the General Committee.
  - b. The removal of dewclaws of any breed.
  - c. Operations to prevent breeding, provided that such operations are notified to the Kennel Club before neutered dog's are shown
  - d. Nor must anything be done calculated in the opinion of the General Committee to deceive.
7. The General Committee without previous notice may order an examination of any dog or dogs at any show. Any examination thus ordered will be made by a person having executive authority who shall have a written directive from the Kennel Club in their possession. Samples may be taken for further examination and analysis.
8. An individual has the right to lodge an objection to a dog only if he/she is the owner or handler of a dog competing in the same breed or class. An objection may, however, be lodged by an official of the Show or by anyone so deputed by the Kennel Club. It will be the responsibility of the individual who lodges the objection or the official (as appropriate) to substantiate the grounds for the objection. The Kennel Club will substantiate grounds for an objection made on its behalf.
9. Any objection by the individual related to an infringement of these Regulations must be made in writing to the Show Secretary at his/her office before the close of the Show and the individual must produce evidence of identity at the time of lodging the complaint.
10. The Kennel Club require exhibitors to display exhibit/owner identification on their crate, cage or container at all times when attending show.
