17. ANIMAL WELFARE

The Pembrokeshire Agricultural Society is very keen to ensure the health and welfare of all livestock that attend the annual County Show and other events that the Society organises. Show organisers have an obligation (under the terms of the Animal Welfare Act 2006 Section 9 (2)) to ensure that the best welfare practices are observed at all times and this also assists in the prevention of the spread of animal diseases. This involves working to the regulations and guidelines set out by government organisations and developing policies and procedures that can be complied with by the Society's representatives i.e. staff and voluntary workers, exhibitors and the general public. The PAS Welfare Plan has been drawn up with the assistance of the show's appointed veterinary surgeons, Fenton Vets & Cotts Equine Hospital and demonstrates that due consideration has been given to all aspects of animal health and welfare at the show. The plan is available for inspection by the animal health authorities if required.
